Tech rehearsal is a time for dancers to get acquainted with the theater and practice their dance on the stage with music and lighting. **Dancers should wear their costumes to their tech rehearsals.**

Dancers should arrive at least 20 minutes before their stage time listed.

Call time: When To Arrive and Be Ready To Dance

Tech: Call time for tech is at least 20 minutes before the stage time listed above. Dancers (and guardians for dancers aged 7 and under) will meet in the lobby of the Luminary Arts Center. Each class will receive an orientation and tour of the space before their rehearsal on stage.

School Showcases: Call time for performances is 60 minutes before show time for everyone.

YD Performing Company: Call time is 90 minutes before show time.

Dressing Rooms/Restroom

With a sizable cast, dancers should come to the theater dressed in costumes. All gender dressing rooms nearest the stage will be reserved for dancers in multiple classes, and individual changing rooms will be available. There are bathrooms in the lobby for audience members and backstage for performers, all of which are all-gender. If your dancer is in multiple dances, we recommend wearing a base layer (camisole tank or leotard and bike shorts, for example) for quick changes.

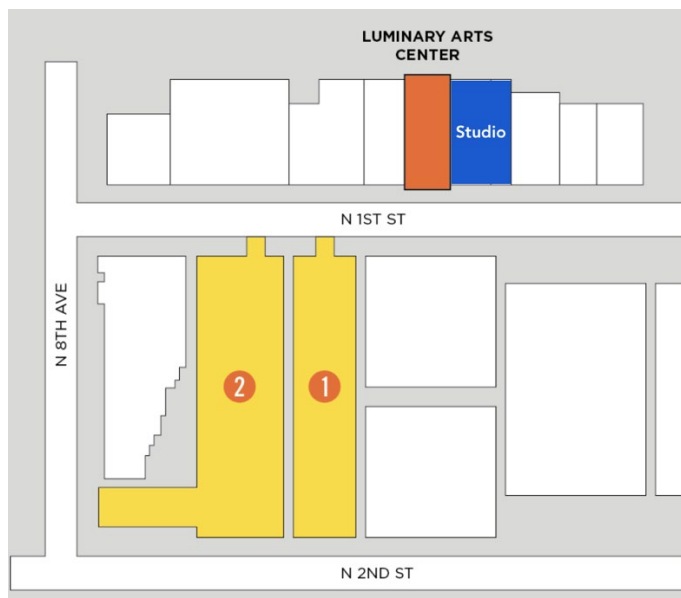

Photos and Video

Professional photographers and videographers will shoot photos and videos of the performances. Photos will be available after the show, and a link to an edited recording of the shows will be available for purchase after the performances.

Volunteer Sign-Up

Please volunteer for the Spring Performances! We need volunteers to help backstage, after the show, in the lobby, and more. We will send a signup link closer to the performance weekend.

If you have any questions, email Gretchen at gretchen@youndance.org. Volunteer help is crucial to the production's success and the quality of the dancers' experience. Thank you for your time and effort!
